Glenbrook sweatshirts for \$25.00

Glenbrook Participates in World Peace Day at the Louisiana State Capitol

Glenbrook students recently submitted art projects for World Peace Day. The artwork will be displayed in the Rotunda of the State Capitol building beginning Sunday, October 2nd. The students were asked to submit entries to describe world peace and what it means to them. Those participating included Madison Harris, Kara Bryce, Eleanor Gilbert, LYAC member, Amelia Christy, Allie Barron Wise and Abigail Gilbert. Chris Broussard, elementary art teacher for Glenbrook assisted the group in their art project. Glenbrook was invited to participate in the project because Eleanor Gilbert is a member of the Louisiana Youth Advisory Council. The art pieces will remain on exhibit until the end of October when the overall winners will be announced.

The students entering their work gave up their lunch hours for the month of August and September to complete their art piece. We are proud of all of them!

HAPPY BIRTHDAY

Fire Prevention Week

For Fire Prevention Week, the Minden Fire Department made a visit to the Glenbrook Kindergarten classes. Captain John Tucker presented a fire prevention video to the class and gave the students fire hats and a bag of goodies. The students then went outside with the firemen to spray the water hose, and take a good look at the fire truck.
